

BEVERAGES NEEDED - The Salvation Army Waco/McLennan County is in dire need of bottled water or drinks. Meals continue to be served daily at our Community Kitchen however, they're now packaged as take-out meals in accordance with guidelines to maintain social distancing for the health and safety of those we serve. This forces us to rely on bottled & packaged beverages. Donations of one or several cases of water or other drinks are appreciated. Bring to 4721 W. Waco Drive, to our drive-up donation center any Monday through Friday, or any day or time at our Community Kitchen/Shelter at 300 Webster Avenue, or consider a monetary donation at give.salvationarmytexas.org. Questions? Call 254-756-7271.
