

Step 1

Visit your app store to download the cloudLibrary app to your device OR visit the eBooks page on our website to read/listen on your computer.*

Step 2

Log in with your library ID and PIN.

Now you can browse, borrow and read eBooks and eAudiobooks. Once you find a book you like, click on

Borrow

Enjoy your content!

**If you need help setting up cloudLibrary on your Kindle Fire, our staff are happy to assist!*

Why eBooks?

eBooks are **FAST!**

Get your eBooks on your device as soon as you click **Borrow**.

eBooks are **PORTABLE!**

Carry your whole library with you anywhere!

eBooks are **INTERACTIVE!**

Search for keywords and phrases and define words you don't know!

eBooks don't have **FINES!**

Your item will automatically disappear from your app when it's due, so you will never be charged for overdue eBooks!
