The Salvation Army Women's Auxiliary of Waco sponsored "FROM BROKEN TO BEAUTIFUL" Event.... is an evening of fun and inspirational design. This event creates an awareness of the journey that women experience with loss and victory. Presenter/Designer Christi Proctor-Hurst, former TLC, Trading Spaces personality and owner of Christi's Moon Rein Bedding and Design Company will share her story of God's faithfulness in bringing His beautiful creation out of seemingly lost circumstances. Watch live, as she and her team transform discarded or broken items into beautiful repurposed creations.

Enjoy, dinner and program with a silent auction. Proceeds are used for Sally's House, our local Salvation Army shelter for homeless families with children.
